Manheim Township School District Dental Clinic Without Walls

P.O. Box 5134, School Road
Lancaster, PA 17606
(717) 569-8231 x3208
Contact: Janet Dick, School Social Worker

This program is sponsored by the Manheim Township School District and the St. John Neumann Parish Health Ministry. The Dental Clinic Without Walls provides dental care for underserved and/or uninsured children in the MTSD. Local dentists provide treatment at significantly reduced cost. Eligible children are referred via school dental hygienist and school nurses. *Families are responsible for their own transportation.*

Volunteer & Career Opportunities

If interested in volunteering or a career opportunity as a Dentist, Hygienist or Dental Assistant at one or more of these programs, please call (717) 397-7625 press 1 for further information and assistance.

Phone: (717) 394-3793
www.lancastergeneral.org

The mission of Lancaster Cleft Palate Clinic is to provide totally, coordinated treatment for infants, children and adults with oral-facial handicaps and to enhance the quality of care through research, publication and education. Services include: Medical and Surgical Services, Dental and Prosthodontic Services, Orthodontic Services, Speech and Hearing Services, Dental Laboratory Services and Radiology Services. *Accessible by public transportation.*

FUN FACTS

- Each person's set of teeth is unique-much like their finger prints.
- If you're right handed, you will chew your food on your right side. If you're left handed, you will tend to chew your food on your left side.

Service Providers

SouthEast Lancaster Health Services
